“ This is from her son, Missy A.K.A. Mom to me, she was a great mom I can say that, yeah there were struggles from time to time, life is rough, she gave her all, she showed everyone that she could do a 100% even if she couldn't, she made sure we had food in our belly's and a roof over our head with clothes on our backs :) she made sure we were educated and grew to be great people, she was put on this earth to make her mark just like everyone else, her purpose was to teach me how to be a man, work and support myself, she has done great, she is and will always be a number one mom, we've had great times me her and my sister we took funny pictures and laugh at each other, it will be hard now because she is gone now :(she'll never be there when I get married or have kids, but I know her beautiful spirit will be there and she will be happy, I can't wait to tell my kids about how awesome there grandma was💕 I will always miss her, Now you can rest, you can rest without all the pain that you felt but hid from us every waking moment its okay now Mom I want you to rest, its your turn to have a sugary cup of sweet tea with great grandpa and grandma, have all those laughs and smiles that you wanted, you've been a great Mom! We will meet again one day💕 I love you forever and always Mom💕💕💕
