“ *Mark Spina - Cousin posted a condolence Michael: My father, Tony Spina, was your mother's first cousin. I remember meeting you once, when you and your mother attended my sister Ann's wedding on Long Island in 1977. My sincere, very belated condolences on your mother's passing, she was a great woman. I speak for my mother Jean too (currently age 92) who remembers your mother well and always treasured her Christmas cards. Actually we also both remember your grandmother Valeria well! The photos of your mother posted here really showed the strong resemblance between your mother, her mother and by extension to my grandmother Lydia -- the Ceccarelli genes must be strong! Again, belated sympathies to you and all the best to your beautiful family. -- Mark Spina, Brooklyn, NY*

I loved her from the moment we met. She has forever changed my life. Having my astrological sign in Cancer, I have a tendency to hang out in my shell too much sometimes, but Miss Lillian was my very best fan who always recognized me regardless. I was filled with confidence in her presence. That
