I remember Linda from the days when Carrie was a student in my class at Delaura. What a talented woman and a wonderful role model for her family. Sweet thoughts for her final resting place.

“ *I miss you so much grandma. The days never get any easier, I've wanted to call you so many times and you just pick up and tell me you are OK. I know you will watch over us and I hope you and poppy are having fun in heaven. I love you.*
