“ Linda was a wonderful friend. I was so shocked and saddened to hear of her passing. We shared a love of cats, books, and travel and had lively debates about politics. I was amused and charmed when I discovered that my serious friend was a “Trekkie.” In recent years we celebrated Christmas by attending the Bach Festival Christmas Concert together. It will not be the same without her.

Linda adored her son Jon and often spoke of how happy she was that he found such a wonderful wife in Heather. She was thrilled by the arrival of her first grandchild. My prayers are with them.

“ I have very fond memories of Linda. She was the first girl I every took to a dance. When we were in the 6th grade I took ballroom dancing at Evelyn Murphy's dance studio. At the conclusion of the session, a dance was held and the students were allowed to bring a "date". I was too shy to ask Linda so I had my mother call Mrs. Langley and ask if Linda could go with me to the dance. She said yes. I'm sure she was a wonderful wife, mother and grandmother. I know she will be missed by all of her family and friends. I don't recall seeing her after graduation in 1960.

“ Dear John, Heather and Baby:

*My condolences for yours and our great loss of a fantastic Mom, who loved you and thought of Heather as a perfect wife and adored her grand son.*

*Your Mom's birthday is today November 18. I was in the process of sending her a card when I received a telephone call informing me of her passing. What a devastation to lose such a beautiful and dear friend.*

*when she came to our Sunday class at Asbury United Methodist church she immediately became an asset to the church and to the community. She participated in the religious and social activities of the church. She taught local children how to read and write and saw to it that they were properly fed. She formed a Chess club and invited young and old and taught them how to play. in our Open Door class when we had some skits to play, she proved to be a great acting performer that we felt that she deserve an Oscar. Linda loved to read and participated in our Book Club until she moved to the assisted living. In her new abode she continued her social activities in book club and other endeavours. Linda seemed to be happy and well adjusted. We met her for lunch several times and brought her up to the present events. Her heart was with Asbury*

*Dear, dear friend, I will miss you so much but my solace is that will meet again to celebrate your birthday*

*I am so sorry about such a big loss for you and for us. May God give you solace and peace*

“ *We will miss Linda and her bright smile and quick wit. She was a valuable member of our Sunday School class while she lived in Maitland. She also was an active member of a chess club that reached out to young people wanting to learn how to play chess.. Our prayers are with her family*
