“ Dear Ones of Linda Weishaupt Hannigan, I am so sorry to hear of Linda’s passing. I knew Linda in grade school at Divine Infant in Westchester, Illinois. She was a pretty girl and part of a popular girl group but Linda was different. She was very kind even at that young age. I am happy to hear she was involved in a very fulfilling life. I hope your loving and fond memories of her will comfort you. Best wishes, Cyndy Gerisch Pereira

“ Jenn, I always remember coming to pick you up for high school at your home and she was always there with her smile. Stated so nicely in the article she had a great smile and spirit. I'm so sorry and it doesn't make a big difference but she is in a better place and not suffering - it's a terrible disease but I know she misses all of you - please let me know what I can do to help.
