“ To the family of Mrs. Mosca,
I taught for two years at the Academy of Learning and have never met as professional and kind a woman as she was. I grew under her leadership and drew on her intellectual acumen. In search for the Academy of Learning with a desire to tell her about my first publication, I found your Life Tributes page. Thank you Mrs. Mosca for the intelligent and warm leader that you were. I hope in looking down, you will dance with Aggie and her chickens!
With much sympathy,
Sharon L. Full
