Growing up, Linda was always there for us, whether we needed help with our homework or just a shoulder to cry on. She instilled in us the importance of family, hard work and doing what is right. She was a true role model who we will always look up to.

Linda was an avid lover of animals, especially dogs. She was a loving pet mom to Lester, Bessie, Louie, Johnny, and Bradley. She supported Pug

“ I remember Linda being my preceptor at the Orange County health department, while I was obtaining my BSN over 15 years ago. We traveled around Orange County to various schools for school health helping with various things such as lice control, glasses screening, teaching dental care, etc. Linda was always very passionate about what she did and she had a wealth of knowledge about school health to share. Linda, Job will done rest in peace. She always spoke so highly of her family (Charlie and Karoline), and loved her pug pet. I know this is sort of late, but I just learned of her passing 8 months later. Condolences to the family.

“ Charlie and Linda were our best friends for 15 or more years. For some reason Charlie cutoff contact. Tonight we Jim and I sat here wondering how she was doing and looked online for an obituary and saw that Linda passed away the end of August. Charlie nor his children ever contacted us. We are at loss for words.

“ I just learned of Linda’s passing. We were “comrades”, working together for the good of schools and the effort: “Every child deserves a “School Nurse”. Her energy and good humor were boundless! We enjoyed many happy times pursuing our cause. Her love of family and Canines was another cause we shared...suffice to say, our friendship was born out of like interests! I truly believe she knew she was loved and revered by so many and was happy as she passed knowing she succeeded in completing a “job well done!”

“ Linda was a coworker at the Health Department. She was very caring and concerned about our School Health Team. She was very giving and enjoyed a good laugh. May the family be comforted by the good deeds and good memories of Linda.
