“ I am so sorry to hear the news. My God grant your family peace and healing and may the love that still surrounds you be a source of comfort. Linda was always so kind and caring to me and I will never forget her words of encouragement and the support she gave me. She was a wonderful and loving woman and always had a kind word and the most warm and beautiful smile to give everyone. I know she is enjoying the feast at the Lord's table. May you always remember her with deep love and speak of her often and smile and laugh, she is there with you, just touch your heart and feel her. God Bless you all. Patricia Adams.

“ Dear Rhonda, Robbie, and your precious families,  
Words cannot express the sadness in our hearts at your Mom's passing. She was one of the gentlest, most loving, caring person I had the honor of knowing. She was an angel in my life and I will miss her messages. She loved you and your children more than words can say. Her love and light are a part of each of you. The light of Christ shown through her to others. We know that she is in the place God has prepared for her, free from pain, free for suffering. Rest in peace, dear sweet Linda.  
With our love and prayers to each of you,  
Kathie and Ernie

“ Rob and Rhonda, a sweeter lady has yet to be born. I've known Linda for over 35 years and she has certainly left an impression of love and kindness for all. She truly loved, admired and cherished her dear family. I will miss her terribly, but will never forget her smile and the way she started a sentence with "Sweetheart, Precious or Darlin" when we spoke. I love her dearly. God bless you all. With Love, SueB
