“ *Words cannot express the void that Theresa and I are feeling. I know that there are so many wonderful family and friends that will also miss you. I will miss our phone calls to each other. After talking and saying goodbye, if I hung up you would call me back and say "Bill I love you". I am very proud to say I am your brother. I love and miss you.*

“ I remember visiting her a lot when we had our sons in baseball and Dick was the Coach. Lovely people--she was so humorous and loving and I am sure her family and us as friends will never know another woman like her! May God Bless and give you all the spirit of happiness that she is with Jesus and Angels and how happy she is there!!!
