“ *Crystal Myers - Close Family Friend posted a condolence I will miss Linda more than words could ever express. Linda was a wonderful and loving friend to me. I love Linda and will miss our talks on the phone and when I would visit her at Boca Ciega. She always had a wonderful outlook on life, and could make a friend anywhere she went. I had never met someone with such a wonderful and caring heart and soul until I met Linda. Linda loved her brother Stevie (as she would call him), and her sister (not sister in law as she would say), Betty. I know that she is in a much better place in heaven, however that will never stop us from missing her. I will miss Linda for the rest of my life. I'm glad to know that I have Linda up there in heaven watching down on me, and Steve, and Betty. She will be our angel in heaven watching over us. I was honored to have had Linda touch my life. I will miss her dearly. All My Love, Crystal*

“ *Lois Clutter - Sister posted a condolence Words cannot express how much I care for you. There will always be this empty space in my heart. However, I know you are in a better place and you, Theresa and Bruce are watching over us now. It is only a matter of time til we will be together again and I find comfort in knowing this.*
