May 6, 1941 - May 17, 2021

Lois E. Bowman, 80, died on May 17, 2021 at her residence in Altamonte Springs, FL. She was born on May 6, 1941 in Washington D.C., the daughter of Walter Borum and Lois Sellers.

On December 29, 1960 Lois married the love of her life Clarence Bowman in Washington D.C. Lois and Clarence were married for 60 years. She was a strong Catholic who attended St. Mary Magdalen Catholic Church since 1976.

She was a huge fan of the Washington Redskins, and on any given Sunday you could hear her a mile away yelling at the TV.

She devoted most of her time to taking care of her children, grandchildren and great grandchildren. During the kids school years the house was always filled with friends. There was never a dull moment, whether it was a food fight she started, baking and slinging frosting, to starting spit ball fights at restaurants and being given a broom, dustpan and vacuum to clean up her mess. She always brought the kid out in us all.

She was predeceased by her parents and her brother Louie R. Borum.

Surviving are her husband Clarence Bowman, daughters Deanna (Timothy) Allen, Teresa (Woodrow) Stanaland, Susan (Alan) Aden; her sons Clarence Jr.

(Lisa) Bowman and Louie Bowman; siblings Bernie Borum, Bill Borum, James Phillips and Francine Searl; 9 Grandchildren: Lee (Cori) Bowman, Megan (Anthony) Allen, Cody (Sarah) Stanaland, Christina (Derrick) Grayson, Colton (Shellie) Aden, Amber (Arielle) Bowman, Cory Stanaland, Timothy Allen, Samantha (Leroy) Bowman; and ten great grandchildren, along with and many nieces and nephews.

A Memorial Mass will be held 11 a.m. on Friday, June 11, 2021 at St. Mary Magdalen Catholic Church, 861 Maitland Ave, Altamonte Springs, FL 32701.

“ My heart breaks for the Bowman family. Although I haven't seen Mrs. Bowman in over 40 years, I remember she was always kind, her door was always open, and any friends of her children were considered extended family. I consider myself blessed to have known her.

“ Never a dull moment with her as a mom. I see got my strange sense of humor from her. There was always laughter,pranks, food fights and love. I learned so much from her,I tried my best to be the kind of mom she was I had alot to learn problem is I wasnt done yet. There isnt a day that goes by I pick my phone up to dial and realize she isnt going to answer. She was my general hospital buddy and now its so hard to watch it without talking about it after. I was blessed with the most amazing mother who gave of herself without question , and my kids had a grandmother who gave her all. Her legacy will live on because she wouldnt have it any other way and we will tell stories to the grandkids ans

“ I was blessed to have Lebb in my life.....She was full of love, a great friend and loyal, adored her loving family, Tubby, and her precious children and grandchildren, She was always fun to be with, could laugh with you, could cry with you, but the best thing is she always understood you from her heart. We knew God would want his precious angel back and we would be grateful that He lent Lebb to us to help us, love us, and be with us. In her latter years, it was painful to hear her with painful difficulties. Lebb kept close to Jesus and spoke of him everyday . I know Lebb is in His arms feeling the happiness of her eternal home. And one day we will join our special angel and wrap our arms around her and she'll feel how much we have missed her when she went home to Jesus. I love you Lebb, and I can see you resting on a cloud watching over all your dear beloved.

*We'll carry you in our hearts until we're together again. You were the best Mom and grandmother and wife that your family could ever have. Until then, Jeannie and Fred Whitman*

“ *A mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on-like a legacy of love that will always be with you. May that love surround you now and bring you peace.*
