“ To Lois’s family, and friends I would like to extend my sympathies on her passing. I met Lous through my next door neighbor who she was cleaning for. I took an instant liking to her and I became her customer too. She cleaned for me for 3 yrs, a job well done yes, but more so that caring heart, sweet demeanor and that beautiful smile I will remember most. We became friends from the start. God rest her sweet soul, my prayers are with all of you who are grieving her. Rest peacefully Lois, you will never be forgotten 🙏❤️ Dan Passanese Grand Island, NY.

“ *Grandma Lois was my Nextdoor neighbor my entire childhood. She was my Go-To every time any of us kids had a cut or scrape for a band aid, followed by a freeze pop and a sandwich. She was as much if not more than a grandmother to me than my own blood. I was one of her grandkids and she treated me like one. I honestly felt like she could live on forever. She was so special to all that knew her that the thought of losing her ever seemed impossible. I broke down when I heard the news she passed away. I am breaking down typing this. She will always hold a special place in my heart and I will never forget Grandma Lois.*
