

Loren G. Huang

April 6, 1941 - August 18, 2014

Loren went home to her Heavenly Father on Monday, August 18, 2014 with family by her side at home. She was born in New York City on April 6, 1941. Loren touched the lives of all she met through church and work. She was employed as a customer service representative for the Bank of North America in New York City. She and her family moved to Orlando the summer of 1978. She was a hostess and waitress at Sampan in College Park, her brother-in-law's restaurant. Shortly thereafter, she returned to her love as a customer service representative at SunTrust bank, College Park branch, where she worked for 20+ years until retirement. She was a devoted Christian. Starting at True Light church in Chinatown, NYC, then Calvary Assembly in Winter Park, FL, after that, Northwest Community church, Orlando, FL, and finally, Journey Christian church, Apopka, FL. She greatly enjoyed her church family and volunteering her services especially cooking meals for families in need. She is survived by her beloved husband, Almond, of 55 years. Two loving children, son Alan, Washington State, and daughter, Sharon, Longwood, FL. Four grandchildren, Ryan, Kody, Kyler, and Micki. Sister, Lynette, brother Jeffrey, both of New York City. She also leaves behind many cherished relatives and friends who greatly enriched and blessed her life. The family thanks all for their prayers and condolences. Loren's kind spirit, gentleness, and soft spoken words of encouragement were an inspiration to all. She will be dearly missed and forever loved. In lieu of flowers, the family requests donations be made to the charities of your choice, in memory of Loren.

“ *The first time I met Loren at the bank, I knew she was one of those special people, that you immediately like and trust. Later to find we would become friends and family was an even greater gift! We were blessed to have known her. God's Peace and our love to Al, Alan, Sharon, Ryan and all the Huang family.*

*What makes the good ones great..
Is the love and not the hate
It is to help the ones in need,
In thoughts and actions, prayers and deeds!
The greatest gift when the day is done..
Is Loren passed her Love to everyone!*

With our deepest sympathy,

“ *Aunt Loren always had a smile on her face no matter what. She always talked about living across the street from us in Chinatown and how my mom and her would wave to each other. She always spoke about how they would take Alan and my brother over to the park down to street when they were just babies. She's always asking about how my Dad is, how everyone is! It was never about her. I just wish we could have saw you in June when the whole family was here but we know you had to take care of yourself. We are truly going to miss you but I know that mom and grandma were waiting to greet you. You always said how much you missed them and now you can be together again. Be at peace Aunt Loren, we love you and don't worry, I'll keep an eye on Sharon and Uncle Al.*

“It’s very difficult to write about the most memorable times we’ve had together because there have been so many of them. You have been an integral part of my life since I became a Goon over 40 years ago and I will be forever grateful for your love and friendship. We’ve cooked, shopped and grown up together and I always loved catching up and sharing stories about our own families. You’ve given me advice on how to be a good wife to your brother as well as how to be a good daughter-in-law to your mom - these are precious memories I will hold forever in my heart. Each year you have sent money and handwritten cards for us to put on ngin ngin’s grave and that always meant so much to us - that she was as important to you as she was to the rest of us. There is comfort in knowing that you no longer have to do that as you are now together again. We love and miss you a lot but know you are in a much better place where you can finally be free. Love you forever.

“ I'd like to extend my deepest sympathy to the Huang family in the loss of their dear Loren. I was fortunate to have worked with her for several years at SunTrust, and she was the most genuinely nice person I've ever met. I know you'll miss her, but she's waiting for you in heaven, and you'll be with her again.

“ Yee, I will always remember the memories, laughter, chats and love you given to me. Your advice always given with love a kindness in every situations. I on the other hand didn't want to see it but eventually I did. Your heart was so big. If you could have fed the world you could have. All the people would have been so blessed. I am certainly blessed that God had placed you in my life. I will miss you so much. You live in my heart until I see you again. Love you, Lani .
