

## Lori J. Paulucci Nasrallah

August 11, 1954 - December 15, 2014

Lori Paulucci Nasrallah, 60, died 12/15/14 surrounded by her loved ones after a long and courageous battle with ovarian cancer. She fought the cancer with dignity and grace, just as she lived her life. Lori's unbridled spirit was as vivacious as it was unfaltering, and because of this, cancer's efforts were futile against her love and laughter. For those fortunate enough to have shared her presence, Lori was forever resilient, nurturing, and wonderfully charismatic. Lori never said no to a competitive game of golf or smear, or a chance to express her creativity and impeccable taste. Born 8/11/1954 in Superior, WI. Graduated from Superior Senior High in 1972 & moved to the Orlando area in 1984.

Lori is survived by her devoted husband Mark Nasrallah, daughter Angela (Paulucci) & Mike Milich, sons Jenno Paulucci, Drew Nasrallah, Dr. Kyle Nasrallah, mother Geri Patnode, brother Tom & Chris Patnode, sister Diane & Tim Carlsgaard, and seven grandchildren. Lori was preceded in death by her father Raymond Patnode.

“ I just found this out! I met Lori about 25 years ago when I lived in Wekiva. We used to do things together because she knew my husband and his partner. She was a wonderful person and friend and mother. I remember going to dinner(at Enzos) with her one night with Angie and Jen0 when they were quite small and I was pregnant. She was so patient with the children and so loving. My heart felt sadness for her wonderful family and friends. She will be missed. Such a wonderful person!

“ Loved my sister, warrior-we met in chemo, later in hospital, Dr's office and one day shopping, always with a hug for each other. So good of your family to request memorials go to Women and Girls Cancer Alliance of Florida. I will do the same.

“ *Mark, I am very sorry for your loss. On several occasions, I met your wife, and even in the midst of her long fight, she was always radiant and full of happiness and life. Her spirit was then and is now inspiring and contagious. All of us who had the privilege of meeting or knowing Lori will always remember and revere her. Peace and blessings be upon you, your family, and Lori. Doug Taylor*
