“ My love for red clothing & red vehicles came from my Aunt. Because of her I make sure my nails & appearance are always tight!! Lol But the best thing she taught me, was the love of my favorite band, Eddie & the Movements aka Jamband!! Auntie Lorma was an inspiration to us all & thank God for the years we had. 🥹

“ *Norma became my surrogate mother when we met when I started working at Interior. She was funny as hell, generous almost to a fault and survived life’s curve balls through her faith in God. I’m sad she’s gone but I know she’s no longer wracked in pain. Condolences to the family. 🙏 May her soul eternally Rest In Peace*

“ *I was heartbroken to hear when you passed. You and Mom shared some great memories here in Orlando. I used to love to see both of you leaving to go on your lunch dates! I’m guessing you’re probably having lunch together right now! 😊🙏💛*
