“ I miss "Aunt Lorraine", I got to be with her, Joe, Michelle, and Danny growing up when they would visit Chet and Wanda Bartusiak in VA Beach. After I'd left home and as late as 2020s she would send me kind notes and "how are you doings". I'm just now seeing this obituary as I settle into CO Springs after 20 yrs in the USAF...will miss her. Our condolences to Joe and family. Love, Chris and Lisa Grussendorf. Chrisgrussendorf@gmail.com

“ Lorraine was one of my favorite cousins. Six years older than me, she would often invite my sister Vicki and me up to her bedroom when we were kids, where she would dress us up, and we'd play house. These times have endured as a special memory. Throughout our lives, she remained in touch, relaying news of the family, and always sending greetings on birthdays and holidays. I shall miss her dearly.

*Lorranine was one of the first friend I became friends with when we moved into LOMD. Through the years we enjoyed many a party at Lorraine's and Joe's. She left a legacy and in our hearts she will always be a part of happy moments. Thanks For The Memories my friend.
