“ *This page is dedicated to Louis Dion - an amazing father, wonderful husband and an extremely supportive grandfather. He would do anything for his family, having spent the last 27 years serving as caregiver, parent and best friend to his disabled son (my father), Ronald Dion. His memory lives on with all of us in the family, as he has made a mark that cannot be erased. He provided me love, support, guidance, and friendship. He took me in and raised me as his daughter over 24 years ago. Without him and my grandmother I would not have accomplished all that I have in my life. He has always been by my side, and we talked every day. Not a day goes by that I don't reach for my phone to call him.*

We love you very much and will never forget you or Grandma.

With Love, Always,

Alyson Innes and Samuel Innes
