

Lucas James Collins

January 7, 2014

Lucas has been called home to be with his Aunt Kristy. In his six short months Lucas touched many lives, with his big beautiful blue eyes, and his incredible smile, anyone who came in contact with him fell in love. He would raise his eyebrows and make everybody laugh, his incredible spirit will live long in this world. Lucas is a baby that would be any mother's joy and any fathers delight, and his mommy and daddy loved him more than anything and treasure the short time they got to spend with him. He will be greatly, greatly missed. We love you Lucas aka Angel Pie (yummiest pie in the whole world!), Sugar Poo, Lukey Lu, Buddy Boys, Hero, Champ, Super Baby, and of course My Baby/ MAMA'S BABY!
