“ *Bonny Blydenburgh - Family Friend posted a condolence Sending our love and prayers to the Rogers and Davis families for your loss of your dear mother, grandmother and great-grandmother. As a lifelong friend (5th grade to present) of Lisa Davis, I was able to be around her loving grandmother and grandfather - as kids, we would go to their home and swim in the pool and ride their big 3 wheel bikes! I loved doing that! Great memories! Lucille has left behind a loving legacy in her family, that can't be taken away even though she is gone. Our deepest sympathy for your loss - Love, Bonny, John and Brooke Blydenburgh.*
