

Luckner Mompoin

February 26, 1929 - March 1, 2020

Luckner Mompoin, 91, passed away peacefully in Maitland, Florida, on Sunday, March 1, 2020. He was born in Ouanaminthe, Haiti to Roland Mompoin and Lydia Bidos on February 26, 1929.

He was a great provider for his family and a very kind man; he worked in Haiti as a teacher and mentor before moving to the United States to Chicago, in 1965. He really loved books and learning and this inspired his children and all those around him to also value learning and education.

He was preceded in death by son Herve. He is survived by his loving wife of 62 years, Gertha and children: daughter Myrtho and her children Cassandra, Kevin, and Jonathan; son Raynald and his children Ashley, Anthony, Alyssa; son Carl; survived by sister Rose Marie; and survived by his daughter Evelyne and her children Eva, Geni, Vanessa and Tatyana.

Our hearts are broken and we will all miss him dearly. Please always keep him in your prayers.

In lieu of flowers, we ask you to please donate to the American Heart Association.

“ Rest In Peace grandpa...my first love , my father figure and my guidance counselor, you will forever be in my heart. Thank you for always supporting my dreams. I will miss our long talks about love, life and most importantly my ability to be optimistic about life, even when I wasn't dealt the best cards. I know you were never a man of religion, but I believe you gained your wings into ever lasting peace. Forever and always your sweet Geni.

“ I remembered when we spoke on the phone for an hour and a half about me getting married and my new husband to be, you called me and asked me 100 different questions about him and finally you asked me where I would then put you once I married my husband because you thought our talks would change and I remembered telling you that it would never change and that no one could ever take your place!

Grandpa, thank you for being who you were. You were a man that always cared, loved and made others laugh. You always meant so very much and you will truly be missed.

You will forever be in my Heart GP. I Love You Much!

“ To my grandpa...although you can't be here with me, were truly not apart. Until the final breath, I take you always in my heart.

I will never forget how you use to ask me about what is Occupational Therapy all about. We would talk and talk and talk about everything! We never had a dull moment. I will cherish these moments forever. I love you grandpa and you will forever remain in my heart. Until we meet again...rest abundantly💕
