“ *Some how or some way you always brightened up peoples lives by just being around us.. with your innocent smile, your chinito eyes or just that big massive Heart of yours that always had you helping out anyone.. we will all miss those deep conversations we had with you, the jokes you would tell that had us laughing with some out of this world stories that I will truly miss.. you might be gone but you will never be forgotten the memories with you will always bring smile's and tears of joy into our lives..on this world we lose a loved one , but Heaven above has gained an Angel to watch over us..You are truly Loved and will be Dearly missed,, Love You Chingoz*
