“ *Thank you, Lucho, for it all...the fatherly advise, the time spent together, but most of all for your well respected presence and soft spoken demeanor. It gave way for me to see the type of man I wanted to be like. I hope I did you proud. It is because of you directly that my Godchildren, your great-grandchildren, have a great future in life! Thank you...I love you. Love, Juan Cordero*

“ RIP to my uncle...you were always good to me. I remember going shopping with you and Jeanette. You were buying her fur lined suede boots. You looked at me and told me you would buy me a pair too. You didn't take no for an answer. I'll never forget that. You were also my dad's best friend...now you are together forever. I'll miss you.

To my cousins...may you feel the love and prayers going out to all of you. Lean on our heavenly Father...and feel His peace and strength. Love you all...Mary Lynn
