“ I remember first meeting Louie one summer afternoon. My son Robert was friends with Louie son Matt. Louie and Millie recently moved here from the Bronx. I was with Matt & my son playing in front of my home down the street from where they just moved into. All of a sudden I heard a loud deep voice coming from down the street yelling out Matt's named. I asked my son, "Who is the crazy man yelling out Matt's named". My son said it's his Dad. I walked over to Louie and introduced myself as Maria Robert's mom. He had the meanest look on his face and toldbme his son knew better then to run off without permission. I asked him if it's ok if he comes over and play with my son. He said he's got homework to do. Our childten became really good friends at the tender age of 9 years old. After getting to know both Louie & Millie we spent good times together. Then I realized that Louie was tough on the exterior but a gentleman with a great love towards his wife and children. He always worked really hard to provide for them. I remember also working in Lake Mary from 5pm til 2am and on my way home I would drive through Altamonte Springs and he would be getting off a detailed job and followed behind me to make sure I got home safe. Thank you for always beingbso caring towards others. You will be missed. My condolences to the entire Torres Family. You are in my prayers.
