“ *"Mama Mabel" was a very special and positive influence in my life. Not only was she beautiful on the outside, but she had the most beautiful heart and love on the inside. She made the best pound cake I have ever eaten and I still have the added pounds, even after 25 years, to prove it! She used to tell me how much she loved yellow roses and I would tell her they couldn't hold a candle to her! She was also known as the "polka dot princess". I loved her, her son, Ricky, and the whole Atkinson & Crittenden clan. May she now rest in peace with her beloved children. My thoughts are prayers are with the family.*

*All my love,

“Oh, sugar.” *The passing of Mabel Atkinson is a truly sad event; she wasn't just an excellent bridge player (she had the gift) but she was one of the most consistently kind, cheerful and positive people I've ever known. Our whole bridge group will miss her terribly and she has left a lasting impact on our lives. God bless you, Mabel, and flights of angels sing you to your rest.*

*Love,*
