“ Met Mickey when I worked as a dispatcher at the Sheriff's Office and remember countless hilarious stories she would tell from the "old days". Used to run into her often at AA5 with Barbie. Always remember those glasses she wore. They were kind of a trademark. She was a good hearted woman and not afraid to speak her mind no matter the consequences. She will be missed. Prayers go out to her family in their time of grief. Rest in peace Mickey and ride free in the pastures of heaven!!

“ Met Mickey in 1969 when she was working at the Pig & Whistle. We washed clothes occasionally together on Park Drive. One night she showed up with a 357 Mag revolver and a law book. She told me she was attending the police academy. I was so impressed when she hired on at Altamonte that I enrolled in the academy, and went to work for Sanford. We remained friends right up until the day she passed. RIP my friend.
