

## Magdalena Spletter

October 15, 1964 - October 8, 2024

It is with deep sorrow that we announce and mourn the passing of Magdalena Spletter. Magdalena passed away with love and compassion on October 8, 2024, at 1:45am at her home in Winter Garden, Florida.

She fought an extremely intense and prolonged battle with breast cancer and continues to fight for us now.

Magdalena was born in Galati, Romania on October 15, 1964 to Elena & Gheorhea Gheorghiu. After graduating from high school Magdalena obtained her engineering degree from a small college and began her career as a food specialist. Magdalena and Rob met and married in Switzerland. They welcomed their beautiful baby boy Eric into the world on February 3, 2005, in Fribourg Switzerland. Nothing in the world was ever more important to her than Eric. Her love for him was palpable and will be ever present in Eric.

In 2010 the family moved to Shanghai, China. In Shanghai Magdalena began a spiritual journey where she was able to explore Asian cultures and focus her energy. She made many friends, volunteered her time and energy to help many others, and she was guided by love. By 2012 Rob and Magdalena wanted to continue their Asian adventures in Kuala Lumpur, Malaysia. They stayed in Malaysia until they relocated back into the Milwaukee area for a few years before moving to Winter Garden, Florida in 2019.

Magdalena is survived by her beloved son Eric from Winter Garden, brother

Gheorhea (Gheo) from Romania, Mother Elena and Father Gheohea in Romania.

Magdalena will be remembered for being a beloved mother, sister, aunt, healer, and friend. She was beautiful inside and out. Words will never be able to describe the compassion she showed to everyone surrounding her, she cared so deeply about everyone and always put others first. She was such a beautiful person and really showed all of us how hard someone can battle.
