

Marc Aragon Redondo Lim

March 31, 2006 - February 20, 2023

Marc Aragon Redondo Lim joined our heavenly Father on Monday, February 20th, 2023, in Sanford, Florida, at the age of 16.

Marc was born on March 31st, 2006, in Altamonte Springs, Florida to Harry Lim and Anne Redondo Lim. He grew up in Sanford, where he attended Wilson Elementary, Sanford Middle, and Seminole High. He was a zealous learner, a math whiz, and an avid aviator. He was involved in many extracurricular programs, including Air Force JROTC, the Aviation Club, the Cross Country and Track teams, the Chess Club, Beta Chi, and the Interact Club.

Marc could be described as a gentle, old soul. He loved music from the 80's and enjoyed classic movies. He was a responsible brother and son; he was caring and kind, with a strong and unwavering discipline in anything he set his mind to.

Marc aspired to be a fighter pilot. He was passionate about aviation and wanted to attend the United States Air Force Academy. He held his student pilot license and was selected for a competitive program where he would earn his private pilot license during the Summer of 2023.

Marc was also a natural leader who inspired and made lasting impacts in

those around him. He was selected to attend a Cybersecurity camp at Norwich University during the Summer of 2022 and embraced the military-esque lifestyle in preparation for service to our country.

Marc is survived by his parents Harry and Anne Lim, his grandmother Rita (Ngin-Ngin), his grandfather Derio (Lolo), and his siblings, Patrick, Colin, and Nico. He will always be missed, loved, and will never be forgotten.

Marc's Public Viewing Reception and Memorial Service was held at DeGusipe Funeral Home and Crematory on Saturday, February 25th, 2023. It was a beautiful service and our family is immensely grateful to all who attended and to all who spoke. So many friends, families, and mentors were in attendance, filling the entire seating area and lobby of the funeral home. The link to the recorded YouTube Livestream video can be found below.

“*Marc and I were not too close, but we did know each other for about our entire lives. For every plane that passes I think of him, and every time I do I still mourn. He always lit up a room and was easy to talk to, and his presense will forever be carried by those he made an impact on. Happy birthday, Marc, you are remembered and missed dearly every day.*”

“*I would like to give my condolences to the family of Marc. during the summer of 2022, I was the roommate of Marc in our cyber camp for two weeks. Marc was a great friend during this time and even was active in a group chat the camp made after we left. I wanted to apologize I did not see the struggle he was going through during my time with him and to thank Marc for the wonderful memories I shared with him during camp.*”

“ I remember Lim would always make the weirdest poses with his hands and when I asked him why he does that he told me “what else are you supposed to do with them they are just hands”. After that I took some photos of him at Seminole Aviation day at the airport.

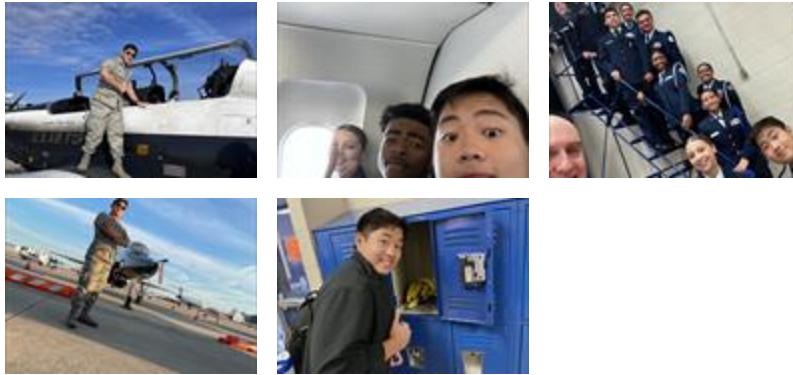

We miss you so much and I'll miss you this summer. You're my biggest inspiration. Rest easy
