“ My condolences to Michael and Cindy, Susan and Josh, and family.

*I met Marcia, Michael and Susan when I moved to the area from Boston in 1999. They were my neighbors along with Alex her prized Golden. Such a funny dog always guarding one of Marcia's shoes. Marcia was like having a personal tour guide. I knew little about the area and she was like having my own personal GPS. We spent the next 4months combing the DelRay Boca area.*

*I moved to Paris in August but we stayed in touch via emails and phone calls between visits. I purchased a home in Boca in 2003. I would travel here every 4 or 5 months. We certainly enjoyed many adventures. We shared many happy events and shared many of lifes challenges. She was always entertaining! Farewell my friend, so many fond memories.*
