

Margaret "Peg" Olson

July 15, 1939 - October 15, 2025

Peg was born on July 15, 1939 to the late Edwin D. Olson and the late Margaret Olson(nee Carroll). She passed into eternity peacefully in her favorite place(her sleep number bed) on October 15, 2025.

A self-proclaimed "Unclaimed Jewel", Peg never married. She was the beloved sister to three brothers: Victor (Sandra) Olson, the late E. Robert "Bob" Olson, and the late Kenneth (the late Susan) Olson. Affectionately referred to as "Aunt Peg" to many, her six nieces: Kimberly (Michael) Heran, Lisa Olson (the late Marcial Rivera), Victoria (Salvatore) DeLucia, Tracy (Chuck) Luker, Kristina (Richie) Pacheco, and Heather (Ignacio) Urtubi are truly blessed to have such an amazing aunt! Going as far as driving the six of them when they were children and teenagers up the Eastern US in a Winnebago with her best friend, the late Marie Gancarz-what an incredible feat! God almost doubled her blessings with 10 great nephews and 1 great niece: James and Ryan Heran, Zachariah Rivera, Darren Barrile, Kenny and Charlie Luker, Alexandra, Eric, and David Pacheco, and Sebastian and Matias Urtubi. She had many loving cousins and long time friends. Her family and friends brought so much joy to her-her smile and laugh will live in our hearts forever.

She was born in Chicago, IL and was proud to call it her hometown until 2023 when she became a Florida resident officially in Casselberry, FL. Peg was a

retiree after working as a math teacher for the Chicago Public Schools for 32 years-quite an accomplishment! After retiring, she served as trustee of the Chicago Teachers Pension Fund for 20+ years and had several part-time positions including working at a shrink's office and funeral home-just to name a few.

Peg had a heart of gold and was always extremely giving. She supported countless causes-from charities like the Augustinian Chulucanas Mission in Peru to those who may have just needed a little helping hand. Her most recent claim to fame was several encounters with our current Pope Leo XIV, a fellow Chicagoan.

Peg was a hoot-no one can deny-the life of every party. She'd grab dance partners right and left. She loved to be the center of attention-her booming laugh probably heard blocks away and she was more often than not the loudest voice in the room! She was an avid sports fan, but lived in Chicago making her a shamelessly hopeful Bears, Bulls, and White Sox fan! She truly enjoyed life, travelling the world after her retirement with her family and friends. Her hobbies included Paper: be it collecting, hoarding, ripping, recycling, shredding-you get the idea. "I can't find that piece of paper I was just looking at" was heard many times daily. She loved a good Western or old cop TV show, reading on her Kindle, and a Pinot Grigio.

There will never be another Peg like this one-God broke the mold! All who knew her are truly blessed and she will live in our hearts forever.

“ Loved Peg so much. She was such a joy to work with at the Pension Fund. Had such good times with her at her condo along with some of the coworkers. My daughter couldn't thank her enough for treating her to [THE WICKED] play. She loved it so much I had to take her to see it at least two more times. We have so many wonderful memories of the loving, generous, kind and fun person she was. She will be missed and in our hearts forever!

Peggy Olson was a blessing to me and a strong support to since the first day I met her. She was always smiling was always asking me how my parents were doing. She was a woman of great attitude and very talented too. Thus, she will always be remembered.

The last time we spend together was amazing she was telling family stories. After that we had a get together for LISA'S birthday and we all were singing WE ARE FAMILY.*

“ *The first time I met Aunt peg is when pamper passed away. She was eating & enjoying her conversation with her family & friends when Lisa introduced us. She gave me the tightest hug & said her feet was hurting. So I got down on one knee & started messaging her feet. Aunt peg & I have been the best of friends ever since.*

“ *First and foremost, I want to send my deepest condolences to the Olson family. Aunt peg was definitely a gem. Good-hearted she had a great spirit, her personality also.
In the short time, knowing her she definitely showed me that she was a good-hearted person and also. Was there to help anyone in need that she could. May god rest her soul and may she rest in peace*

Many years ago I have fond memories of Ms Olson at Kelly High School. Had many good times as student. So many times I thought of her over the years with great fondness. She was a young teacher in her 20's back then. Reading over her obituary, I can see she had a full life of love. Rest in piece.
