“ *Peggy was in my nursing class. We did our orientation in Warren, we lived together for three months and shared many good times. Her father would come up and take us home on the weekends, a great man. Peggy was a smart caring nurse. My deepest sympathy to you all. God bless you all. Marie Zurinsky*

“ *Peggy was a nursing school classmate. I often think of her when I still use the set of four Pyrex mixing bowls she gave me for a wedding gift in 1960. I think they are quite valuable today. We had a wonderful class and were like family.....so sorry to read of her passing*
