“Peggy and I used to go to the hospitals together to visit Catholics and give them Holy Communion. She was always there on time and ready to go. We did this for many years and then I went to the homebound and didn't see Peggy as often. She always remembered my name. always had a story, always made time for everyone. Once at the Church Festival I had no identification on me and someone who was in charge didn't know me and would not let me in: I saw Peggy and asked this person if she knew Peggy; yes, she knew Peggy; my next question was, "would you let Peggy vouch for me and let me in?" She hesitantly said, "OK." Even though we had no contact for many years, Peggy said "that's Shay Koegel; what do you mean you can't let her in?" Peggy never forgot a face and was always available to help out EVERYWHERE and EVERYTIME.! YOU will be missed, my friend. Love, Shay

“ My memories of Aunt Peggy are so many, spending the night and having a tummy ache, Aunt Peg comforting me with Tums and hugs, giving me my first perm and the cutest clothes, bringing me to her house on Sundays after church and always being there for me! She was my God Mother, by Aunt and my second Mother. I will miss every day, but I am so blessed to have spent quality time with her in June, it was Gods blessing to each of us - just to be with her 🙏🙏
Love You Aunt Peg❤️

“ Peggy was one of our most treasured sisters in the St Joan of Arc Circle.. she did so much to help with charities. You never had to ask Peggy twice, she was ALWAYS there to help and share ideas. She had a heart of gold. I'm going to miss her so much, but I know Heaven will Love her. What an Angel,
