“ I met Maggie through Central Watercolor Society and admired her work. We were also together with a group who went to San Miguel, Mexico in 2005 and had a wonderful time.

I am glad that I got to visit her in the hospital about two weeks ago when she was in good spirits.

I am sorry for your loss, but comforted by the fact that she no longer suffering. She was a fighter and put up a good battle.

Sincerely,

Mary Louise Hart
