“ *Margo was my "work Mom" and always took care of me. She made sure I never went hungry. She would always have medicine at the ready whenever I had a cold or a headache. I will miss all of our talks and the time we shared.*

My boys loved to visit and see Margo before they came to my office. She will truly be missed by our family.

“ I came to know Margo through my annual business visits to Multicom, Inc. No matter how busy either of us were, Margo always made time to make me and my associates feel welcome. The big decision each year was whether to bring donuts or bagels on day 2 of our work. It won't be the same without Margo's smile and friendly greeting. I will miss her. My deepest condolences to her family and friends.
