“*Margot rescued me, taking on another employee when Tallahassee closed Tampa QC, and I loved my St Pete QC family. She was wise and welcoming and a good friend and mentor. She loved her family, and I enjoyed hearing about them. We shared our good times and supported each other in sad times. She will be remembered. Deepest sympathy for the loss of your dear mother.*

“*To live in hearts we leave behind is not to die.*”
Thomas Campbell

Love and prayers go out to Margot's family at the passing of a very special mother, wife and friend. I will cherish my wonderful memories of our friendship which began at work long ago and continued through many more years. Margot shared her wisdom, provided guidance and comforted me in my times of need. I will not forget.

“*Margot was a true gentile woman of the south. She was immensely proud of her father, Elmo Tanner (the Whistler), and would regale us with stories of her mother and grandmother hosting tea parties and her many adventures as a stewardess. Our time at QC became an extension of our families, and we were very involved in watching each other’s children grow up. Our unbreakable bond still exists to this day, and is still an integral part of my life.*

Margot will be dearly missed but is now freed of the physical constraints that hampered her on earth. Rest in peace, dear friend
With sorrow,
Marsha
