

Maria Teresa Cruz

October 17, 1948 - July 15, 2019

Maria Teresa Cruz, 70 of Deltona, Florida passed away July 15, 2019. Mrs. Cruz was born October 17, 1948 in Santiago, Dominican Republic to Manuel Cruz and Isabel Vargas.

She is survived by her loving children Elizabeth Tejada (Jose Cuevas), Jennifer Tejada, Jonathan Tejada, Gerard Tejada, Dayshaniel Padin and many family and friends.

"Our Mom was the most wonderful person in the world! She dedicated her life to loving us and helping friends and family. It didn't matter what problems she had, she was always there for whomever needed her. She always had a smile even if she had a struggle in her life at that moment, but she never stopped believing in God. The Lord was her strength in every way. She was always singing and she lighted up every room with her contagious laughter. She was loved by so many, many people. We will always have her in our hearts and our thoughts. We love you Mom!!!"

In lieu of flowers, please send your donations to the National Down Syndrome Society, or directly to Dayshaniel's support fund.

“ Our family is so saddened by her passing, our prayers and love goes to each and everyone of the family members. She did light up a room when she smiled, especially when her grandson kristopher came around or if she spoke with him. She is an amazing lady that loved life to the fullest and enjoy everyone that she came into contact with. Now I know she is smiling down on everyone and hugging all her grandbabies. Until we meet again sweet lady God has you now... We all will miss you very much love always Kristopher and Family. Kristopher has lite a candle for his grandmother
