“ *Mari is, was, and always will be a great light in everyone’s life. I am very grateful I got to call her mami. She definitely put a huge smile on my dad’s face every single day. Thank you for loving him the way he so deserved.* ”

“ *There are so many memories to share but the one memory that I have that always stuck with me was when my titi became my Godmother. That day was filled with so much love and happiness you felt the love in the room. You took that role with pride and always was there anytime and every time I needed you. No matter how far we were from each other our phone call conversations was always deep you knew exactly what to say and how to say it. I will forever hold our memories close to my heart and live life through you. I love you forever my queen* ”

“ I am going to miss seeing Maria’s smiling face at parties and special gatherings, as well as, just being in her presence -always positive and optimistic about the future and encouraging to others, too. Always a laugh to be had with Maria. She was a dynamo plowing through life and will be missed. My heartfelt condolences to the entire family. Please find comfort in knowing how much she loved and was so proud of each and every one of you. -lots of love to you all, Diana P. And Family
