“ Dr, Sherry Willis and I received with great sadness and consternation the news of Ha's passing. As you probably know, I was Ha's mentor for both her MA and Ph.D. theses at Penn State, and we very much valued Ha's participation and many contributions to our lab group.

We remember Ha fondly, and would like to express our sympathy to you and your family Best regards, Warner Schaie.

“ I knew Ha when she was a doctoral student at Penn State, but did not have the opportunity to work closely with her until we worked together on a study based in Vietnam. She was an amazing person to work with--energetic and creative. We needed to build trust with our Vietnamese partners in order to be able to conduct the study, and Ha was able to do that, building collaborations with patience, honesty and good humor. I will always remember Ha fondly. My sympathies to Steve, their children and the rest of Ha's family. I know what a big loss this is.

“ I am so sorry to hear of the passing of Ha Nguyen. Ha was one of the kindest, most welcoming, and friendly souls I have ever met. From watching our boys play together on the floor in the "Cry Room" at Holy Family to teaching Kristin and I how to make a proper Fresh Roll and pot of Pho - Ms. Ha was always so kind and generous to our family.

Kristin, Thomas, John and I all pray for Steve and boys. Peace be with all of you and with Ms. Ha in Heaven.

“ God blessed me with knowing Ha. I knew her for a few years and yet, she made you feel like a life long friend. Her love for her family and her friends made her shine like a light. She had the best laugh in the universe. I will hear that for as long as I live. She was a beacon through out her life and in her final illness.
