“ *Nadine Kramer - Niece posted a condolence Sharon and Bob Your mom was a very strong women and in her lifetime she had many battles to conquer. She conquered them the best way she knew how. Her health was her longest battle and she surprised all of us by living as long as she did. She is at peace now and I am happy for her. She has gone to be with all her relatives who left before her. We will all miss her but remember when you get down, do not mourn her death, celebrate her life. You have my deepest sympathy.. Love you both*
