

Marie Louise Demarbaix Cerenzio

June 25, 1927 - July 26, 2022

Marie Louise Demarbaix Cerenzio was born on June 25, 1927 in Lens, Belgium. She died peacefully on July 26, 2022 surrounded by her loving family at the age of 95 in Winter Springs, Florida.

Toward the end of WW II the enemy took over her sweet little country town. Shortly after that the future love of her life, Army Sgt. Peter F. Cerenzio, a survivor of the landing at Omaha Beach, and his unit chased the enemy out of her town and they became heroes. They fell in love and were married there November 14, 1945. When her war bride ship arrived in New York City, she was greeted by her new, loving, large Italian family. She was immediately loved by all, especially her 3 new brothers and 2 sisters.

Marie Louise was the ultimate loving, dedicated Mom to her three children and husband Peter. Despite her career potential and education, she chose to dedicate her life to her family.

Whoever Mom met the feedback was always the same, “you have the sweetest Mother.”

We miss you so much Mom! Marie Louise is survived by her sons Don Cerenzio and his wife Fonda, Steven Cerenzio and his wife Denise. Her daughter, Tina Louise Cerenzio Pierson predeceased her. Marie Louise had

six grandchildren and eight great-children.

“ Aunt Marie, so sad I didn't get to see you again however you are a person I can never forget. You made our trips to Florida and your trips to New York so amazing! The laughs and great times are imbedded in my memory. You were definitely one of the girls when we went out on the town. I know you and Tina will catch up now and always be laughing and holding that wine glass together. How I can hear you say “oh your uncle would be having babies if he knew”. Lol. You were such a wonderful person so glad you were part of the family. Party on! Love always Marilyn

“ My family and I are all profoundly saddened at the loss of our beautiful Aunt Marie. She is now reunited with her daughter Tina (my cousin). She was absolutely the most kindest, genuine, and loving person I have ever known. Her unconditional love for family and friends was endless and profound. Never an unkind word to say about anyone. Our family was truly blessed for all of the joy and love that she filled our lives with each and every day, and she will be missed more than words can express.
Rest In Peace my beloved Aunt! We all raise a glass to your loving memory!

“ Aunt Marie, there are so many great memories I have. Every vacation I have taken to Disney World Aunt Marie would meet me and the family there and give us a grand tour of all the parks. She never got tired of the endless walking. She loved going on roller coasters, I was scared, however, she was not. We had so much fun and laughter. She loved making everyone happy. I will never forget the kind and beautiful words she wrote in all the birthday cards throughout the years, I have saved them all. My dear Aunt Marie, I will miss you always and forever.
