“ dear sister, always called her that because she was more like a sister than a sister-in-law. We had some wonderful times together going places and playing cards and just hanging out. I sure. have missed those times. I wish you hadn't moved so far away. I will certainly miss your smiling face and wonderful thoughtfulness but I know that you are happy being with Rich, the love of your life. God keep u safe.

I am so going to miss my favorite aunt and birdie #2. You will always hold a special place in my heart that no one else can fill. I always looked forward to the time I spent with you and Uncle Rich although it was never enough. Miss you both so much. I will cherish the memories until we meet again. Love you!
