“ *Marilee was a true friend to everyone she knew. She made everyone feel as if they were her best friend. My memory of Marilee will always be that she is the true meaning of the word friend. Marilee you will be greatly missed and will live on in the memory of everyone you blessed by knowing you. I love you. Deby Roberts*

“ *I first met Marilee on June 9, 1969 my first day at Shelby Mutual Insurance Company. We worked together for many years and then drifted apart only to reunite at General Accident Insurance and later at CNA Insurance. Marilee was always an inspiration to me, she played tennis all the time and I can remember so many stories of Beth and Steve. Beth and I got married within a few days of each other and had our first two children within weeks of each other. George and Marilee were a model couple of how marriage should be and my prayers are with the entire family.*
