“ Lynn Allen Hennessey - Niece posted a condolence How sad I was to get the news of the death of your mother. Aunt Marilyn played a huge role in my "early" childhood years. She was my favorite babysitter (next to Grampa Gorman) she was "cool" and took me on the grown-up rides at the Schat. Fair! My first taste of mashed potatoes w/onion at grammas on River Street (yum) and she let me sleep over a few times with her (late nites with popcorn and soda)"the best". I ended up being her "babysitter" for you Wendy, Kelly and Darcy. You were great little kids to watch, but you were a handful at times too! We did keep in touch through the years, but our lives went in different directions, but I never stopped thinking about her, and I never will. She will always hold a special place in my heart. My deepest sympathy go out to you and your families. John,Lynn and Family.

“ Gary & Cindy Allen - Nephew & spouse posted a condolence We are deeply saddened by the passing of Aunt Marilyn and wish to express our sincerest condolences to the entire family, most of which, unfortunately, I have not kept in contact with for many, many years. The fact that we all have drifted apart over the years has not diminished the love I have always had for all of you as part of my family. Marilyn was one of the most loving and giving persons I ever knew and was always there, throughout her life, for the entire Gorman Family. I pray she will be rewarded for her generosity and loving spirit with eternal life in the hereafter and that we will all, someday, be reunited in Heaven with her. May she rest, forever, in the peace of God's arms. My e-mail is attached and would love to hear from all my cousins if and when time permits. Again, I am truly sorry for your loss and will keep you all in my prayers. Gary Allen & Family. 134 Nebbs Trail Mocksville, N.C. 27028
