“ *Mamma I love you so much you were and still are my everything. I'm so grateful that I got to spend the last 4 years with you. You helped me in so many ways more ways then you could imagine. I still feel you here with me in spirit and in my heart. I love you so much I would give anything to spend just one more day with you. You were my rock you kept me going even when I thought I couldn't go anymore you gave me motivation to stay strong and fight til the end and for that I thank you. You fought til the end and so will I. Gone by flesh here by spirit and mentally you will always be there!*

“ When I would stay with Anette we all would go out to eat about 1a.m. The waitress would ask if all of us were her's, she would always say yes then point at me and say "I adopted her". I will always remember her doing that, I always felt like pay off the family. I had my chores to do just like they did. Love you mom
