“ Dear Uncle Carl, Paige and family, my deepest condolences on the loss of Aunt Marilyn. I will always remember her as a wonderful sister to my mother. I know they were very close and best of friends. My Mom and Aunt may have live far apart, but they were always there for each other. I still remember the kind Aunt who carried a tired little boy on her back while visiting Newport, the big pinches on chubby little cheeks, a wonderful family Florida visit and one last special Cape Cod vacation. I hope your lifetime of memories comfort you at this sad time and that the knowledge that she has been lovingly received by those who have passed before her give you strength. –Kevin

“ *Carl and Family,
I wish to extend my deepest sympathy to you and your family.
I have so many happy memories of Marilyn and the Soucy cousins.
We laughed, played and shared fun times. I will always remember
the "parade" to the beach in Old Orchard, the movies, especially
"Sabrina", the picnics, the red convertible and all the other "Good
Times."*
*May Marilyn rest in peace in the loving presence of God.

“ *Carl & family, so very sorry for your loss. She suffered and is now resting peacefully.
Marilyn, being the oldest in our family, led the way for the rest of us. She was the first to go to Salve Regina, travel and the first to marry a Navy man with more travel.
Definitely not a shrinking violet and she told it like it was.
Marilyn will be missed by all who have known and loved her.
Love,
Patty and Paul*
