“ Dear Scott, Wes and Tom,
We were so sorry to hear about Marilyn's passing and are praying for comfort and peace for you all. We wish we could be there in person on Wednesday, but certainly will be there in spirit.

I know my parents loved living close by to you all in Winter Park and mom really enjoyed the closeness of her cousin, since she had moved so far away from New York family at such a young age. We always enjoyed getting together with you all. I'll never forget having you at my wedding, Tom capturing everything on video and Scott capturing the garter! I think your wife/mom was so proud!

Marilyn really took an interest in my parents as they aged and I always appreciated her care and concern. It was a comfort for me to have her -- and you all -- nearby. If there is anything we can do for you all, please let us know.

*Blessings,
Diane Elrod (and Barbara Taylor)*

“ Hi Uncle Tom - My mopther called to tell me about Marilyn - I'm so sorry for your loss. I didn't know her well but my Mom talked about her all the time - they were such great friends - all the way back to highschool. I still have great memories of our visit when I was 21 - we stayed with you and your son Tom took me out on a date - We love you and hope all goes well on Wednesday - wish we could be there, but promise we will be thinking of you.
