“ *To my sweet and beautiful mother. I love and miss you more every day. You are my best friend and it is hard to imagine not having you here. I told you I would be okay , and I will. It will just take time for me to process all of this.*

You are and will always be the most important person in my life.

I hope you are resting now pain free.

I will be looking for you in my dreams.

Love you for eternity,

Your loving daughter,
