My thoughts and prayers are with the family. The Worley's were all like a second family to me, and I have numerous happy memories of Marjorie. She was like a second mother to me during my college years and such a special person in every aspect of her life. She touched my heart and I am so blessed to have been able to be a part of her life. You will be my angel along with my parents and I look forward to seeing you all again soon. Ya'll are still watching over us and I am forever grateful. I love you Marja! Carolyn
