“ Nelson posted a condolence When I worked at the Baywalk Starbucks, it was always a pleasure having Carr come in for his daily dose of a “grande nonfat no whip two pump mocha” had I been able to make the service I would’ve brought a special cup for him so he can continue having his daily dose, he will be missed but not forgotten.

“ *Sheila Clancy O'Donnell posted a condolence To Diane & The Carr Family: Sincerest Condolences on the loss of a great man. Mark lived 2 houses from me for 18 years. He was our 1st babysitter-and what a blast we had! Mark never hesitated to play every board game we had to keep us entertained. He taught us how to excel at wiffle ball and never failed to make us laugh. His humour was a great mix of his mum & dad and I thought the world of him! You were so lucky to have him in your lives. May he rest in peace! x Sheila Clancy O'Donnell*
