“ Oh my gosh, I have so many memories of my brother, Mark. I remember the day that mom brought him home from the hospital. We ran to see him, as he was the only boy. Of course he was screaming, and I remember his little red face and his white hair. Oh my gosh we were crazy about him. .I loved him so much and I loved being his favorite sister. lol May he rest in peace, and I know that he is in heaven. I hope they have guitars there, if not he can learn to play the harp. Love you, little brother. I will hold you in my heart forever. Your sister, vicki
