

Mark Frankenfield

May 5, 1972 - October 1, 2018

Mark Frankenfield, loving husband, brother, son, and fur baby daddy, went to join the Church of Corners and Speed on October 1, 2018 at the age of 46. He is survived by his wife, parents, sister, and brothers. A member of Phi Delta Theta UCF chapter, Anime Sushi, CFCR, and NOBLE TEAM. He was a software engineer at Oracle Corp for 20 years. Avid motorcyclist, and gamer, exceptionally intelligent and talented, yet gentle and kind to everyone and made a positive impact on so many lives.

There are no words to properly describe how much positive influence he provided in his life except for the fact that the thousands of people who crossed paths with him over the years remember and adore him for his good nature and positive attitude.

Flowers are accepted and appreciated, however, donations to the Prostate Cancer Foundation would be preferred.

“ *Mark was always such a happy, funny guy in high school. Always positive and upbeat about everything. And always willing to lend a hand whether it be not understanding a class assignment or with homecoming preparations. Such a bright light! My prayers are with his family. May you all find peace.* ”
